ACKNOWLEDGEMENT

First and foremost my sincere thanks go to Prof. Ashley L.S. Perera, Head of the Department of Town & Country Planning, University of Moratuwa who provided me with courageous and constructive criticisms that were enable me to activate my conception in most correct and meaningful manner, and to Mr Neil G.Karunaratne, Senior Lecturer, Department of Town & Country Planning, University of Moratuwa, who willingly accepted to guide me in this academic endeavor.

I sincerely thank Mr K.D.Fernando, Senior Lecturer, Mr.P.K.S.Mahanama Lecturer, Department of Town & Country Planning, University of Moratuwa who encouraged me and made valuable suggestions/whenever they are in need.

I offer my sincere gratitude to Urban Development Authority for granting me leave to studying the course for a period of two years.

My heart warming thanks are extended to all those who spent their valuable time in helping me, particularly the authorities of the Local bodies of Galle, Matale, Nuwara Eliya, Ratnapura, Beruwela and Maharagama.

I offer my thanks to Mr Shierly H. Senanayake and Mrs Wasanthi Goonatilake who helped me with typing and to Mr. Palitha Jayasinghe and Mrs Chitra Herath who provided with necessary drawing facilities.

I take this opportunity to offer my affection to my parents who sacrificed ther lives and my sister who always look after my interest in order to make me more efficient.

Mr Bacil Liyanage too should be mentioned him with most respects.
