Evaluation Questionnaire

Web Based Dengue Surveillance & Alerting System for Sri Lanka

The expectation of this questioner is evaluate the system usability and identify the weakness of the system

The applicability and usefulness of the proposed system will be assessed through the information that will be gathered through this questionnaire.

I highly appreciate your feedbacks.

Online Survey: <http://www.surveymonkey.com/s/Z7G26MX>

Thanks & Regards,

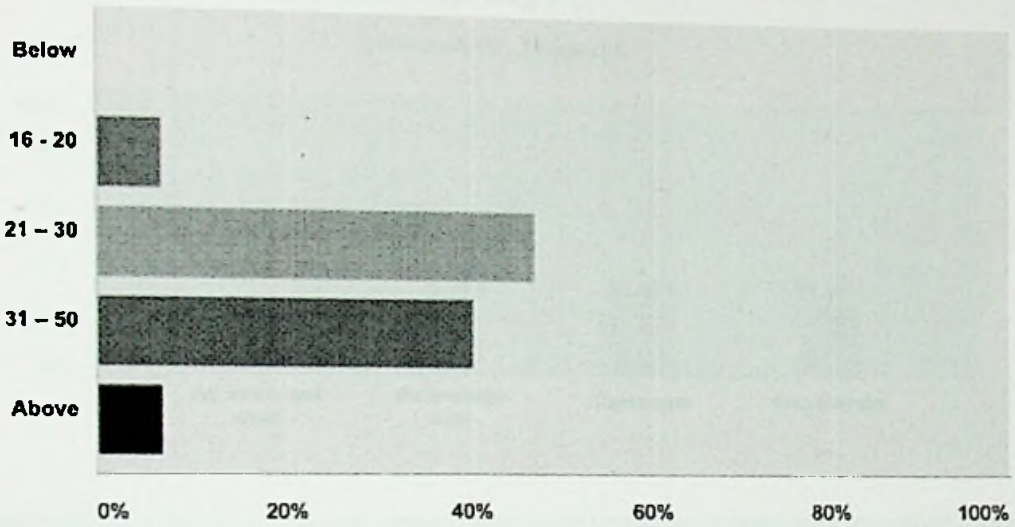

K.G.P.T Wijedasa.
